

COMPANY PROFILE

About Us

Afriswiss Commodities Trading Limited is a professional precious metal trading business registered and established in P.O.BOX 26728-00100-Wilson Airport 2 Willyway Drive Nairobi, Kenya to provide unmatched services. We specialize in determining the content of gold and silver metals, exploration of gold mines, casting and jewelry waste recycling.

The company promotes the use of specially designed Artisanal Mining Equipment which eliminates the use of Chemicals and Children in the mining sector in partnership with the United Nations. The company utilizes special satellite technology to support identification of areas in which to mine with the highest level of yields.

The company is fully certified by the Kenyan Ministry of Petroleum and Mining to operate in Kenya. It was granted the Mining Dealers License to facilitate its operations.

Our Mission:

Afriswiss coupled with the ethics and technology from Switzerland and Eastern African Community (EAC) Artisanal Miners partners with our clients to bring their precious metals to market.

To be the leading precious metal trader and refinery in East Africa.

Our Vision:
